

VOLVO OCEAN RACE

ROUND THE WORLD 2008 - 2009

Race Committee Memorandum Memorandum Number 3

To All entries and potential entries

From Andy Hindley, Racing Director

Date 14th December 2007

Re Media Crew Member allowed duties

After much communication on this matter, we have decided the best way to approach this subject is to publish a list of allowed activities that the nominated Media Crew Member can participate in, in addition to the normal personal activities of living on board a boat (eating, sleeping, personal hygiene etc).

Participation in any activity not on this list will be considered as non compliance with the Notice of Race and the matter will be referred to the International Jury.

Media Crew Members will be subject to additional declarations and automated remote monitoring of on board activity may be used during the race.

The list of allowed activities is

1. All media duties
2. All environmental duties (see NOR 4.1 (b) (iv))
3. Cooking (meals, drinks and refreshments)
4. Washing up
5. Emptying bilges (sponging out, bailing)
6. Placement of body weight as required
