Re MRCC Falmouth

Notice of Race 4.3 (d) states Persons in Charge and navigators shall attend a half day briefing at the MRCC Falmouth in August 2008.

Following incidents in the last race and discussions with the MRCC in Falmouth, the MRCC want to hold a half day briefing for all Persons In Charge and Navigators in the 2008 -2009 race. The MRCC feel it is important to demonstrate how an incident is dealt with by the MRCC and more specifically what is expected by the MRCC from a vessel involved in an incident to expedite any assistance the MRCC may be able to offer.

The briefing will be held in Falmouth on 19th August and will consist of a classroom session with the MRCC officers and a tour and demonstration of the MRCC facilities.

Please could you confirm your attendance and the names of the Person In Charge and Navigator attending to Jim Allen at Jim.Allen@VolvoOceanRace.org
